

Incident and Injury Free Thought Provoker

Personal Decisions

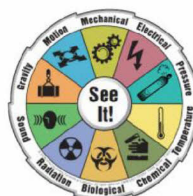

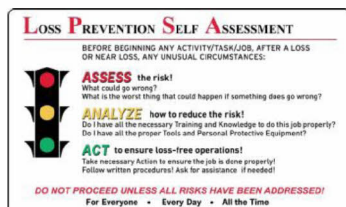

How do your personal decisions affect the success or failure of safeguards?

During a busy work day, you may make hundreds of decisions. Are all of them aligned with promoting the best possible use of our safeguards?

Take Action

How well do you use safeguards?

- Complete and Good communication on a JJSV
- JLA
- Morning Tailgate meetings
- Near Miss Reporting
- LOTO
- HSE
- Hazard Wheel
- MSDS reference
- Job procedures
- Effective Turnovers
- Understanding your functional limits. Ask for assistance.
